Proceedings of the Madras Government, Public Works Department, 9th December 1873.

No. 159. Read the following letter from Lieutenant W. H. COAKER, R.E., for Consulting Engineer for Railways, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 14th November 1873, No. 607 :—

I HAVE the honour to forward a Register (to be returned) of houses standing on land taken up under Class A. in the Chingleput District for the Carnatic Railway, received from the Collector.

2. I request that, under the circumstances explained in the enclosed letter from Mr. Barlow, sanction may be accorded as early as possible for the disbursement of Rupees 34-8-0, which can be met from the sum of Rupees 80,000 provided for the Chingleput District in the Budget Estimate for 1873-74.

No. 355, 13th November 1873.

Compensation for huts on Class A. land.

From R. W. BARLOW, Esq., Acting Collector of the Chingleput District, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Sydapet, 13th November 1873, No. 355.

I HAVE the honour to forward a Register and bill showing the amount of compensation due for certain huts standing on the new line of Carnatic Railway between this and Chingleput, and request you will place me in funds as soon as possible. The owners of huts are very poor, and, until the amount awarded is paid, are not in a position to remove them, and the land is urgently required.

2. I sent this bill, in the first instance, to the Controller of Public Works Accounts, according to the Accountant-General's C. O., No. 5,661, dated 7th September last, but he returned it saying that the Circular in question applies only "to bills for compensation of land taken up for Public Works for which regular estimates have been duly sanctioned."

3. An early reply is requested.

No. 160. ORDER THEREON, 9th December 1873, No. 2,967.

RAILWAY, No. 26.

THE compensation (Rupees 34-8-0) is sanctioned.

2. The arrangement approved in G.O., No. 2,808, dated 20th November 1873, will be held to apply to land taken up for Railway purposes also on the understanding that disbursements are immediately reported by the Consulting Engineer for the information of Government. The Registers of the lands appropriated should be submitted as usual.
