*Proceedings of the Madras Government, Public Works Department,
29th January 1873.*

K. M. S.
No. 610. Read the following letter from the Officiating Deputy Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway,) dated Fort William, 4th January 1873, No. 32 G. R.:-

I AM directed to acknowledge the receipt of your letter, No. 2,942, dated the 12th December 1872, with enclosure, relative to the incidence of the charge for the conversion of fifteen coke wagons of the Madras Railway into cooly carriages, sanction to which, at a cost of Rupees 6,000, was communicated by telegraph on the 22nd November 1872.

2. In reply, I am to state that it appears that the vehicle which was formerly worth Rupees 1,700 will, after conversion, be worth Rupees 2,000, and that Rupees 300 is therefore the *bona fide* additional value gained by the expenditure. The Government of India are consequently of opinion that Rupees 4,500, being 300×15 , is the legitimate Capital charge, and that the remainder be borne by Revenue.

3. The Capital portion of this sanction has been entered in the Register of this office as No. 29 M. R. of 1872-73.

No. 611. ORDER THEREON, 29th January 1873, No. 299.
