Notification by the Government of India, Home Department, dated 17th October 1873, No. 3,204.

As there is reason to believe that the orders of this Department, dated the 15th June 1869, warning public officers to be careful in granting certificates to their subordinates, are not generally known or acted upon, those orders are here below re-published for general information; and all officers of Government are required carefully to observe them:—

Circular to Local Governments and Administrations, dated the 15th June 1869.

"The Governor-General in Council has recently had under consideration a case in which a public officer, the Head of a Department, in granting a certificate to one of his subordinates, suppressed the true reason for which the subordinate had been removed from his appointment. Such an omission may obviously be injurious to the interests of the public service. I am therefore directed to draw attention to the subject, and to request the issue of orders to all public officers warning them to be careful in giving certificates to their subordinates to state the whole truth in respect of character and cause of dismissal or resignation of appointment."

No. 244. ORDER THEREON, 15th December 1873, No. 3,011.
