*Proceedings of the Madras Government, Public Works Department,
30th January 1873.*

No. 616. Read the following Endorsement of the Consulting Engineer for Railways, dated Madras, 12th December 1872, No. 688 :—
From the Agent of the Great Southern of India Railway, to the Consulting Engineer for Railways, dated Negapatam, 10th December 1872, No. 4,839.

With reference to my letter No. 4,659 of the 27th August last, will you please let me know if Government has arrived at any decision regarding junction arrangements at Trichinopoly.

2. The Chief Engineer is pressing for a reply, as he says "two miles of line here are lying untouched pending a decision on this subject, and I cannot even lay in material for the buildings without the risk of having to shift it at considerable cost."

SUBMITTED to Government, with reference to their Order dated the 18th September 1872, No. 2,203.

2. It is of very great importance that the junction arrangements at Trichinopoly should be decided without further delay, and I beg that the Government of India may be moved to communicate their views on the subject by telegraph.

(Signed) J. H. M. SHAW-STEWART, Lieut.-Colonel, R.E.,
Consulting Engineer for Railways.
