No. 311. Read the following letter from Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Chepauk, 22nd November 1873, No. 1,553 :—

I HAVE the honour to forward, for the sanction of Government, a plan and revised estimate, in the form of a comparative statement, amounting to Rupees 830, for constructing a compound wall round the Roman Catholic burial-ground at Samulcottah in the Godavery District.

1 Comparative Statement.

2. The original estimate for this work amounted to Rupees 1,060, and was sanctioned in G. O., No. 727, dated 11th March 1867, but work was not undertaken for want of funds. The decrease in rates for rough stone in clay and chunam plastering has caused the reduction of the original estimate by Rupees 230.

3. There are no funds at the disposal of the District Engineer for this work. I beg to recommend that the Government will be pleased to allot the required amount from the Reserve under Civil Buildings, Provincial.

No. 312. ORDER THEREON, 18th December 1873, No. 3,048.

THE revised estimate of Rupees 830 is sanctioned in supersession of the estimate of Rupees 1,060 approved in G. O. of 11th March 1867, No. 727. No funds can be appropriated to the work this year.
