Proceedings of the Madras Government, Public Works Department, 27th December 1873.

No. 427A. Read the following letter from Major R. B. KENNEDY, Special Executive Engineer, Wynaad, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Vythery, 16th December 1873, No. 970 :—

By Proceedings of Government, No. 2,057, dated 19th August 1873, it appeared that the Mysore Government stated its intention to pay the moiety of the cost of the Mahvinhulla Bridge during current official year, and counting on this I have been proceeding with work on the estimate in anticipation of the funds being placed at my disposal, as the locality becomes unhealthy after February, and I am unwilling to lose the brief period available for work. I shall be much obliged, therefore, if you will be so good as to obtain for me the amount promised; and if a portion of the balance of the estimate, say, Rupees 2,000, were also placed at my disposal as a special grant, in addition to the lump sum given to the Calicut Circle, I could make advantageous use of it.

No. 427B. ORDER THEREON, 27th December 1873, No. 3,079A.

CIVIL WORKS, No. 29A.

THE Mysore Government will be requested to arrange for placing the promised contribution of Rupees 5,315 for the Mahvinhulla Bridge at the disposal of the Special Executive Engineer in charge of Wynaad through the Controller of Public Works Accounts as early as practicable; and the application for the additional appropriation of Rupees 2,000 made in this letter will be referred for consideration in the Financial Department with reference to the orders in that department, No. 1,296, dated 12th September 1873.
