*Proceedings of the Madras Government, Public Works Department,
30th January 1873.*

No. 634. Read the following letter from the Officiating District Engineer, Malabar, to the Secretary to Government, Public Works Department, dated Calicut, 15th January 1873, No. 7:—

I HAVE the honour to bring to your notice that the Superintending Engineer, 7th Division, for want of funds under head of Repairs, Agricultural, only sanctioned Rupees 710 on an estimate amounting to Rupees 1,255 for repairing Yennamakal Dam, leaving Rupees 515 yet to be provided for. As the work is under execution and the full amount of the estimate will be required, I beg that the balance, Rupees 515, may be allotted at once for this district. I would here mention that the Superintending Engineer, in his letter, No. 177, dated 31st October last, applied for additional funds for this work, but no reply has been received to this application.

No. 635. ORDER THEREON, 30th January 1873, No. 311.

ACCOUNT, No. 63.

THE sum of Rupees 515 will be provided by transfer from the sum of Rupees 5,000 surrendered by the District Engineer, Madura, from the grant for Agricultural Repairs.
