*Proceedings of the Madras Government, Public Works Department,
31st January 1873.*

No. 662. Read the following letter from the Postmaster General, Madras, to the Secretary to Government, Public Works Department, dated Madras, 14th January 1873, No. 8,168/257:—

WITH reference to G. O., No. 3,056, of the 4th December 1871, I have the honour to forward copy of a letter from the Director General of the Post Office, No. 4,689, dated 19th December 1872, cancelling the approval conveyed in his letter dated 27th December 1871, No. ^C₁₈₇₁, to the estimate for Rupees 3,450 for the erection of a new Post Office at Kotergherry, which is found not to be necessary.

From the Officiating Deputy Director General of the Post Office of India, to the Postmaster General, Madras, dated Calcutta, 19th December 1872, No. 4,689.

REFERRING to the last paragraph of your letter No. ^C₁₈₇₁, dated 14th November, I have to remark that as you consider the present Post Office building at Kotergherry to answer its purpose, the approval to the erection of a new Post Office there, conveyed by this office letter No. ^C₁₈₇₁, dated 27th October 1871, at a cost of Rupees 3,450, may be considered as cancelled. The money can probably be devoted with greater advantage to some other postal work in your circle, and the provision of quarters for the travelling Post Office Clerks at Raichore is probably the best way in which it can be used. On this point, however, I have addressed you separately.

No. 663. ORDER THEREON, 31st January 1873, No. 327.

CIVIL WORKS, No. 35.

COMMUNICATED to the District Engineer, Neilgherries.

2. The Postmaster General will be requested to report to what work he would propose to appropriate the sum of Rupees 3,500 sanctioned by the Government of India for expenditure on the Kotergherry Post Office in 1873-74:
