*Proceedings of the Madras Government, Public Works Department,
3rd February 1873.*

No. 53. Read the following letter from the Officiating Superintendent of Telegraphs, Madras Division, to the Secretary to Government, Public Works Department, dated Madras, 8th January 1873, No. 2,400 :—

I AM directed to inquire whether the Madras Government consider it necessary to retain a Telegraph Office at Nellore.

2. The retention of an office at that station is, owing to the smallness of the receipts, a constant source of loss. Should the closing therefore be deemed inadvisable, I beg to be informed whether free quarters could not be supplied. An office-room and quarters for one man would suffice.

No. 54. ORDER THEREON, 3rd February 1873, No. 358.

TELEGRAPH, No. 1.

THE question of the retention of a Telegraph Office at Nellore will be referred, through the Revenue Department, to the Collector for report.

2. Meanwhile, the District Engineer will, after communication with the Collector, report whether accommodation to the extent indicated in paragraph 2 can be provided.
