MILITARY WORKS, No. 7.

In G. O., No. 1,858, of 7th August 1872, the Government sanctioned an estimate, amounting to Rupees 1,600, for providing quarters for two Medical Warrant Officers on the ground-floor of the old European Infantry Veteran Company Barracks at Vizagapatam, and funds having been allotted, the District Engineer reports that the work cannot be commenced as the building is temporarily occupied as a treasury by the Deputy Collector. As rent is being paid for accommodating Warrant Officers, it is an object to carry out the proposed works as early as possible, and the Collector will therefore be requested, through the Revenue Department, to make early arrangements for vacating the building.
