**Proceedings of the Madras Government, Public Works Department,
5th February 1873.**

No. 83. Read the following letter from the District Engineer, Presidency, to the Chief Engineer and Secretary to Government, Public Works Department, dated Fort St. George, 27th January 1873, No. 3,063:—

With reference to the Order of Government, No. 192, dated 20th January 1873, I have the honour to submit for sanction two estimates, amounting together to Rupees 1,440, for works marginally noted which have been approved of by His Excellency the Commander-in-Chief.

Putting up lightning conductors of flat copper strips in Caldwell's Magazine in Fort St. George	Rs. 900
Do. do. to the Grand Magazine	540
Total...	1,440

2. The works have been now commenced in anticipation of sanction of Government to the estimates as ordered in the concluding part of the order above referred to.

Amount of Estimate.	Amount required for Expenditure.
Rs. 900	Rs. 500
540	300

3. I beg therefore that funds to the extent shown in the margin may be allotted from any source at the disposal of Government for expenditure before the close of the current official year.

No. 84. ORDER THEREON, 5th February 1873, No. 374.

MILITARY WORKS, No. 11.

The estimates are sanctioned. Funds will be provided when district statements of savings and demands come under review.
