2 Statements.

December, I have the honour to state that the statements of expenditure

furnished by the Controller were received by me at Bangalore.

2. The largest balances under Repairs and Minor New Works Military at the end of last November were in the Chingleput, Bangalore, and Trichinopoly Districts; but in the absence of detailed information from the District Engineers, there is nothing to show that these balances will not be expended by the end of the year.

3. The expenditure under Minor New Works Provincial was smaller in proportion to grants in the Districts of Ganjam, Vizagapatam, Godavery, Kistna, and Nellore, while the whole amount required at the Presidency for the repairs of Provincial Civil Buildings might apparently be obtained from Chingleput.
