PUBLIC WORKS DEPARTMENT,
FORT ST. GEORGE, 6th February 1873.

No. 121.

No. 395.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

ESTABLISHMENT, No. 7.

SIR,—In continuation of my letter of the 15th January, No. 135, I am directed to intimate that this Govern-

ment have appointed Lieutenant C. H. P. Christie, R.E., as the additional officer to aid the Controller in carrying out the orders of the Government of India in connection with the accounts of Irrigation Works.

2. Lieutenant Christie has been officiating as Deputy Consulting Engineer for Railways, and holds the position of an Assistant Engineer of the first grade. Consequent on Lieutenant Coaker's return to duty in the Railway Branch, Lieutenant Christie's services are available; and it has been ascertained that his acquaintance with irrigation works and knowledge of accounts will be most acceptable to the Controller.

3. When proposing the appointment of an Assistant Controller of the first grade, this Government did not think that so eligible a candidate would offer for the post, and as Lieutenant Christie has been four years in the Department and has attained the rank of Assistant Engineer of the first grade, corresponding with that of Assistant Controller of the same grade, His Excellency the Governor in Council proposes to nominate him as a Deputy Controller, thus giving him a step of rank; an arrangement which it is hoped will meet with the approval of the Government of India.

4. A revised tabular statement is herewith submitted.

I have the honour to be,

Sir,

Your most obedient servant,

Colonel, R. E.
