THE undersigned has the honour to acknowledge Public Works Department Memorandum No. 1,092 E. G., dated 4th September 1872, asking for information in respect to General Order in the Military Department, No. 340, of 28th March 1872.

2. In reply, he is desired to state that the order in question was issued at the express injunction of the Right Honourable the Secretary of State for India.

3. With respect to the questions of detail referred by the Government of the North-Western Provinces, the undersigned is directed to reply.

I.—That by "a further term of service" is intended the term of seven years or whatever period may be laid down as the tour of service of Royal Engineer Officers in India.

II.—An Officer who does not return to India will be entitled to a refund of his passage money to England.

III.—It is desirable that as was formerly the practice in the case of Officers of British line regiments, that an Officer of Royal Engineers of the Imperial List should declare his intention of returning to India on submitting his application for furlough, should he not have already volunteered for a second tour of service in completing his first.

IV.—"English pay of his regimental rank" means the ordinary daily pay of his regimental rank.

4. With reference to the point raised in paragraph 5 of the memorandum under reply, the undersigned is to say that so long as the continuance of service in India remains on its present footing, the grant of furlough on Indian pay and allowances would be subject to the above conditions during the whole period of the Officer's service in India.
