From the Controller of Military Accounts, to the Secretary to the Government of India, Military Department, dated 24th October 1872, No. 1,014-L

With advertence to Military Department No. 840, "Accommodation and Quarters," dated 27th August 1872, calling for a list of the members of the Military Department who are entitled to be provided with accommodation at the expense of the State, I have the honour to submit, for the information of Government, copy of a list affording the required information.

2. The rates entered in the list were those admitted by the Pay Examiner before the transfer of the duty to the Department of Public Works as compensation when public quarters were not provided.

3. The allotment of quarters has always been in conjunction with the Public Works Department in conjunction with the Quartermaster-General's Department, Barrack Branch; no information in regard to the scale of accommodation allowable can therefore, be furnished.

4. No allusion to the accommodation for offices has been made in the list it being understood that all public offices are accommodated at the public expense.

5. In addition to the offices at the Presidency and elsewhere there are certain officers whose staff pay includes a fixed allowance for an office; these have also been omitted from the list, as the staff pay is admitted by the Pay Examiner, and the allowances referred to will not, therefore, be cognizable by the Public Works Department.
