Proceedings of the Madras Government, Public Works Department, 8th February 1873.

No. 190. Read the following letter from the Secretary to the Government of India, Public Works Department, (Account—General,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 21st January 1873, No. 41 A. G:—

I AM directed to acknowledge receipt of your letter No. 2,830, dated the 3rd ultimo, in paragraph 1 of which it is requested that Rupees 15,000 may be transferred from the provision from Loan Funds for the Sungum Project (Item No. 29) in the current year's Budget to meet the cost of necessary repairs to the floating stock received from the late Upper Godavery Navigation Works.

2. In reply I am to state the Governor-General in Council is of opinion that Loan Funds should not be applied to meet the outlay on these repairs, but that such outlay should be provided from the Ordinary Grant.

3. I am also to observe that the cost of thoroughly renewing the floating stock as well as *its present value, i. e.*, its value in its present condition as recorded in the list forwarded with your letter, No. 41—2,830, dated 3rd December 1872, should be debited to the Capital Account of the Godavery Irrigation Works, on which, it is understood, that stock will be utilized.

4. I am to add that a further communication will be addressed to the Government of Madras on the subject of the despatch to Rangoon of the steamer *Shamrock*, alluded in the 2nd paragraph of your letter under reply.

No. 191. ORDER THEREON, 8th February 1873, No. 432.

ACCOUNT, No. 26.

COMMUNICATED to the District Engineer, Godavery, with reference to G. O., No. 2,829, dated 3rd December 1872.

The sum of Rupees 15,000, required for the repair of the floating stock, will be transferred from the amount surrendered by the District Engineer, Cuddapah, under "Repairs, Agricultural."

2. The attention of Lieutenant-Colonel Fischer is called to paragraph 3 of the letter from the Government of India, and with reference thereto he will report to what extent the grants already made to the district under "Tools and Plant, Ordinary and Extraordinary," will require to be supplemented.

3. The value of any plant transferred to the Kistna District will be similarly dealt with.
