*Proceedings of the Madras Government, Public Works Department,
14th February 1873.*

No. 313. Read the following endorsement of the Chief Secretary to Government, dated Fort St. George, 6th February 1873:—

Read the following Proceedings of the Government of India in the Marine Department, dated Fort William, 27th January 1873.

Office Memorandum from the Under Secretary to the Government of India, Department of Agriculture, Revenue, and Commerce, to the Secretary to the Government of India, Military (Marine) Department, dated Calcutta, 16th January 1873, No. 11.

With reference to the correspondence ending with communication from the Military (Marine) Department, No. 94, dated the 26th ultimo, the undersigned is directed to state that it has been reported that the steamer *Shamrock*, which is now in dock at Dowlaishweram, needs thorough repair before she can be despatched to Rangoon. It is, therefore, requested that this office may be furnished with a

fresh estimate* of the cost of executing such repair, and with information as to the amount which the vessel originally cost.

* That formerly furnished was made apparently before her extremely unsound condition was known.

No. 123.

Copy of the above forwarded to the Chief Secretary to Government, Fort St. George, in continuation of letter, No. 92, dated 26th December 1872, the return of the original enclosures of which is solicited; and with a request that, under the orders of His Excellency the Governor in Council, the information asked for may be furnished, and any further correspondence sent, *direct to the Government of India, in the Department of Agriculture, Revenue, and Commerce.*

By order,

(Signed) H. K. BURNE, Colonel,
Secretary to the Government of India.

TRANSFERRED to the Public Works Department, with reference to the order in that Department, dated the 11th January 1873, No. 110.

(Signed) W. HUDLESTON,
Chief Secretary.

No. 314. ORDER THEREON, 14th February 1873, No. 487.

ACCOUNT, No. 34.

COMMUNICATED to the District Engineer, Godavery, in continuation of G. O., No. 110, of 11th January 1873,

and with a request that an estimate for the thorough repair of the *Shamrock* may be prepared and submitted with any information that may be available regarding the original cost of the vessel.
