*Proceedings of the Madras Government, Public Works Department,
15th February 1873.*

Read the following papers:—

No. 323. From W. B. LEGGATT, Esq. A. I. C. E., Executive Engineer, Madras Presidency, to the Chief Engineer and Secretary to Government, Public Works Department, Madras, dated 25, Great George Street, Westminster, S. W., 20th December 1872.

ON the 7th May last I availed myself of the fifteen months' leave on medical certificate granted to me in the *Fort Saint George Gazette* of the 5th March 1872; but I find from the last pay certificate which I brought to England with me that I am entitled to allowances only for twelve months and eleven days of that period.

2. I sought for information on the matter at the India Office, and I was told that under the "*old rules*" I was entitled to no more.

3. I was also informed that the "*new Furlough Rules*" lately made applicable to Civil Engineers in the Public Works Department who had received their appointments in England would in all probability be made applicable shortly to me and others similarly situated, and that there would be no objection raised here to my leave being changed from sick leave to leave on furlough if the Government of Madras thought fit to do so in anticipation of the sanction of the Secretary of State for India. I have the honour respectfully to solicit that you will kindly lay my case before Government with a view to my sick leave for fifteen months (above referred to) being converted into furlough, for which indulgence I shall feel very grateful.

4. I have further the honour to enclose a letter from the Secretary to the Institution of Civil Engineers informing me that I have been elected an Associate of that Institution.

5. I have received my diploma, and beg you will kindly have the fact registered in your office.

No. 324. From the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Fort Saint George, 16th January 1873, No. 142.

If Mr. W. B. Leggatt be allowed the benefit of the new rules, the leave on medical certificate granted to him in March 1872, (*vide Fort Saint George Gazette* of the 5th March 1872, page 456) may be commuted into furlough.

No. 325. ORDER THEREON, 15th February 1873, No. 494.

ESTABLISHMENT, No. 25.

THE leave on medical certificate already granted to Mr. W. B. Leggatt, Executive Engineer, 3rd Grade, is com-

muted to furlough under the New Uncovenanted Civil Service Furlough Rules, subject to confirmation by the Secretary of State for India, to whom his application and this order will be communicated with a recommendation that that gentleman's name be included in the list of those to whom the new rules shall apply.
