*Proceedings of the Madras Government, Public Works Department,
17th February 1873.*

No. 389. Read the following letter from the District Engineer, Godavery District, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 17th January 1873, No. 485 :—

I HAVE the honour to bring to the notice of Government that the Controller of Public Works Accounts has declined to pass travelling allowance to me at the rate, namely, Rupees 6 per diem, I had hitherto drawn, unless I am classed as Superintending Engineer.

2. With reference to this objection of the Controller I beg to invite attention to the order of Government noted in the margin, wherein it was considered I held a rank relatively in position equal to that of a Superintending Engineer, 1st class, 1st grade.

3. I trust, under the circumstances, the Government will be pleased to authorize the Controller to pass the accompanying supplemental bill for difference of travelling allowance between the rate hitherto drawn by me and that passed for the month of December 1872, in the same manner as the Government have been pleased to grant to me since my return from Nagpore, and under the special circumstances recommended on my behalf by the Government of India in G. O., No. 19-E. I., dated 23rd January 1869, embodied in G. O., No. 395, dated 8th February 1869.

LIEUTENANT-COLONEL FISCHER having by previous orders of Government been placed upon a footing as regards pay with Superintending Engineers, although not confirmed in that rank, will as a special case be allowed to draw the travelling allowance of a Superintending Engineer.
