*Proceedings of the Madras Government, Public Works Department,
18th February 1873.*

No. 432. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Fort St. George, 10th February 1873, No. 2,627 :—

ADVERTING to the Notification published at page 2,096 of the *Fort St. George Gazette*, dated 31st December 1872, granting Major T. Beckley, of the Royal Engineers, two years' furlough on private affairs, I have the honour to state that the procedure to be followed by this office in connection with the grant of last pay certificates to officers embarking from a Presidency other than that in which they are serving is that laid down in paragraph 18A, Chapter V., Section I. of the Government of India Code, and Standing Order No. 44 of 1871. This course, however, it has been found impracticable to follow in the case of Major Beckley, in consequence of no report of his arrangements having been received here.

2. In his letter, No. 68, dated 6th January 1873, Major Beckley intimated that he had "handed over charge of his district, and embarked at Gopalpore at 12 o'clock noon on 6th January 1873." Subsequently, Major Beckley reported, in a letter of the 20th idem, that he had that day embarked at Calcutta "on board steamer *Statesman*, bound to Hongkong," and that the "Pilot left steamer at Sandheads about 8 P. M. the same day."

3. Since Major Beckley's departure I have received from his Agents (Messrs. Binny & Co.) a bill for the salary due to him up to the date prior to his embarkation at Calcutta, and, in accordance with his request, I have passed the amount to which he is entitled, and furnished him, through his Agents, with a final last pay certificate, the duplicate of which I enclose for transmission in the usual course to the Home Government.

No. 433. ORDER THEREON, 18th February 1873, No. 545.

ESTABLISHMENT, No. 36.

ORDERED that this letter be communicated to the Government of India, to whom the last pay certificate will be

forwarded with reference to the ruling quoted by the Controller.
