*Proceedings of the Madras Government, Public Works Department,
19th February 1873.*

No 449. Read the following letter from the District Engineer, North Arcot, to the Secretary to Government, Public Works Department, dated Guindy, 24th January 1873, No. 394 —

I HAVE the honour to request the permission of Government to the entertainment as Local Fund or Taluq Overseer of J. Latchmanarasuppa Naidoo, who was employed in the former Chief Engineer's Office for about two years before he became a Sub-Overseer in Tanjore, an appointment which he lost on the reduction of that class of servants.

2. He has been employed since as a Maistry, or temporarily as an Overseer, and has given general satisfaction.

3 I would, however, further urge his claims to permanent employment by Government on the ground of his father's very valuable services J. Atchata Naidoo, Maramut Superintendent, in, I think, originally Coimbatore, was transferred to the Godavery on the special requisition of Sir A. Cotton, and was most useful in the construction of the anicut.

4. After its completion he was sent to Tanjore, where he served some years before he died. I feel confident that his services must have been mentioned laudably by Generals Sir Arthur F. Cotton and Orr, but I have no means of quoting them, and can only offer my testimony as one of their Assistants at the time to their appreciation of his talent and diligence

5. J. Latchmanarasuppa would, I believe, be exempted on account of his own services. I trust my remarks may ensure his admission to the department.

No. 450. ORDER THEREON, 19th February 1873, No. 554.

ESTABLISHMENT, No. 38.

His Excellency the Governor in Council is not prepared to exempt any candidate for the post of Taluq Overseer from the usual test simply on account of his father's services; and the Acting District Engineer, North Arcot, has not given sufficient information as to J Lutchmanarasuppa Naidoo's personal qualifications or services to enable the Government to exempt him on such grounds.

2 Colonel Moberly should place himself in communication with the Local Fund Board regarding that individual's appointment as Local Fund Overseer.
