*Proceedings of the Madras Government, Public Works Department,
19th February 1873.*

No. 455. Read the following letter from the Acting Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 10th February 1873, No. 462 —

I HAVE the honour to submit, for the sanction of Government, an estimate, amounting to Rupees 100, for repairing the Police Station-house at Killanoor in the Tindevanum Taluq of the South Arcot District.

2. The construction of the Station-house in question was sanctioned by Government in their Order No 529 of 23rd February 1871, Public Works Department, at a cost of Rupees 390, and it was built by the Public Works Department in March 1872

3. On the 1st and 2nd May following there were very heavy rains in the Tindevanum Taluq, by reason of which three mud walls of the Station-house were damaged to a great extent. The necessary repairs were at once carried out by the Public Works Department, at the cost of the enclosed estimate, in anticipation of the sanction of Government, as the Station-house accommodation was emergently required. The cost was defrayed from the Repair grant of the district for 1872-73.

4. Through ignorance on the part of the official then in temporary charge of the District Police office at Cuddalore, there has been great delay in the transmission of the estimate to this office, of which due notice has been taken.

5. The above estimate is submitted to Government as required by paragraph 15, Chapter XXIV, Public Works Code, as the estimated cost of repairs exceeds one-fourth of the value of the building which is Rupees 390.

No. 456. ORDER THEREON, 19th February 1873, No. 557.
