From the Secretary of State for India, to the Government of India, Public Works Department, Railway, dated 18th December 1872, No. 153

With reference to your Excellency's Despatch No 209, of 31st October 1872, I have to inform you that the purchase by the Directors of the Carnatic Railway Company therein referred to of three broad gauge engines, although made in the first instance without proper authority was afterwards sanctioned by me on the circumstances of the case being represented by the Directors.
