To

The President of the
Municipal Commission
Madras.

Sir,

With reference to the
communications which have been
made to you personally by Lieut Col.
Mullins, I am desired by the Committee
of Subscribers to the Anderson Memorial
fund to say that they consider the site
to the west of the Mount Road, just
opposite the main entrance to Govern-
ment House, the exact spot being now
occupied by a lamp post, to be a very
suitable position for the Drinking
fountain which they wish to erect to
the Memory of the late Col. Anderson R.E.
and they hope that the Municipality will
be good enough to grant this site for
the fountain, which will be of an orna-
mental character, and that further,
when completed, the Municipality
will consent to take charge of the
Fountain and to preserve it for the
public benefit.

Sir,
I very much regret the delay
that has occurred in replying to your
letter of the 27th ultimo, as to the
proposed site for the Audisank
Memorial Fountain. I was anxious
to get the opinion of the Commissioners
before giving my sanction, but as I
now learn that the site asked for,
situated to the west of the Mount
Road opposite the Government House
Gates, and which is at present
occupied by a lamp-post fountain,
is Government land, being a por-
tion of a Government Road, I have
much pleasure in stating, that I
should be glad to see the Fountain
built

built there, provided the Government

The fountain when erected
will be taken charge of by the
Municipality and preserved for the
public benefit. I have instructed
the Engineer Mr. Stansh Lee
accordingly.
