*Proceedings of the Madras Government, Public Works Department,
20th February 1873.*

No. 498. Read the following letter from the Under Secretary to the Government of India, Public Works Department (Establishment—Account), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 5th February 1873, No. 51-E-A —

In reply to your letter, No. 135, dated 15th ultimo, I am directed to convey the approval of the Governor-General in Council of the order of the Madras Government sanctioning the entertainment of an additional establishment, costing Rupees 350 per mensem, for six months for the preparation of statements showing the past expenditure on Irrigation works in the Madras Presidency, in order to admit of a correct Capital and Revenue Account being prepared.

2. As regards the appointment of an Assistant Controller to take charge of these Irrigation Accounts I am directed to state that it seems premature to make the appointment, as for the present it might conveniently merge into the special appointment of the officer entrusted to make up the Capital Accounts of the several works. On this point the opinion of the Government of Madras is invited.

SIR,—In reply to your letter, No. 51,
of the 5th February 1873, I am directed
to inform you that in His Excellency

the Governor's opinion the appointment of the officer entrusted to make up
the Capital Accounts of the various works may conveniently for the present
merge in that of the Deputy Controller already appointed to take charge of the
Irrigation branch of the Accounts.

tained what materials exist, and what, if any, are the main difficulties presented by
the system in this Presidency to the fulfilment of the views advanced by the
Government of India, it will be more competent than at present for this Govern-
ment to decide whether further assistance is required, and, if so, whether it would
be best supplied from the staff attached to this Presidency or by the deputation of
an officer from the staff under the immediate control of the Government of India.

I have the honour to be,

Sir,

Your most obedient servant,
