From

Sergeant J. Healey

Road Officer in Charge S. I Sub Division

Dated 19th January 1873

The Executive Engineer
Cuddoor Division

Sir,
I beg you will be pleased to ask the Assistant
Chief Engineer Mysore Department Public Works,
to apply to the Principal Civil Engineering College
for an appointment for me; my reasons for asking
for a transfer is that all Military men either
with Bengal or Patna certificate in joining the
Public Works Department in Madras, receive
their Military pay and compensation for rations
in lieu of Civil Salary, as will be seen from
the list of rules of admission attached; but
I was sent to the Mysore Public Works Department
as a Sub Officer 1st Grade. I therefore cannot
receive any Military pay.

2 I joined the Mysore Department Public
Works in December 1871 as a Sub Officer from the
Madras Civil Engineering College being then in
possession

possession of a Bengal Certificate and with a view and a promise held me that in the event of passing for a Taluk Oversee, I would be transferred to the Madras Department Public Works, and since I have passed for a Taluk Oversee they most respectfully that an appointment be procured for me to enable me to be based on the same footing as Taluk Overseers in Madras.

Yours to remain

 Road Overseer
 in charge of N.I. Sub Division
