*Proceedings of the Madras Government, Public Works Department,
25th February 1873.*

No. 575. Read the following endorsement of the Chief Secretary to Government, dated Fort St. George, 28th January 1873:—

From the Colonial Secretary, Colombo, to the Secretary to Government, Public Works Department, dated Colombo, 8th January 1873, No. 2.

I AM directed by the Governor of Ceylon to acquaint you, for the information of the Governor of Madras in Council; that this Government have been contemplating the construction of landing stages to facilitate the embarkation of coolies at Devipatam; but that it has been suggested that a pier would be a much more useful and convenient work, and I am to inquire whether the Madras Government would be prepared to co-operate in this work, and if so, whether they would do so by taking the work into their own hands, receiving a contribution from this Government.

REFERRED to the Department of Public Works.

(Signed) W. HUDLESTON,
Chief Secretary.

No. 576. ORDER THEREON, 25th February 1873, No. 314.

CIVIL WORKS, No. 35.

COMMUNICATED to the District Engineer, Madura, who will submit a preliminary report on the subject of constructing a pier at Devipatam; he will state whether the project has ever been brought forward, and, if so, by whom, and what details are extant or can be procured, with a rough estimate of cost. He will also state whether the pier is required for any purpose other than for the embarkation of coolies proceeding to Ceylon.
