Proceedings of the Madras Government, Public Works Department, 8th Jaunary 1873.

No. 120. Read the following Endorsement of the Revenue Department, dated 4th January 1873:—

From the Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, dated Madras, 20th December 1872, Miscellaneous No. 8,479.

With reference to Government Order, 13th December 1872, No. 1,675, I am directed to inquire what is meant by the term Canal Revenue.

If it refers to navigation (boat licenses, etc.,) in the Godavery and Kistna Channels, it is not under the control of the Board.

Transferred to the Public Works Department.

Secretary to Government.

No. 121. Order thereon, 8th January 1873, No. 63.

IRRIGATION, No. 13.

The Government observe that the term Canal Revenue was probably used in the letter from the Government of India because irrigation in that part of India is under canals only: the expression should be taken to mean irrigation revenue, or the revenue derived from irrigation works; and, in this Presidency, such is obtained partly from canals and partly from tank irrigation.
