*Proceedings of the Madras Government, Public Works Department,
28th February 1873.*

No. 632. Read the following endorsement of the Consulting Engineer for Railways, dated Madras, 4th February 1873, No. 81:—

From the Agent and Manager of the Carnatic Railway Company, to the Consulting Engineer for Railways, dated Madras, 3rd February 1873, No. 38.

With reference to your letter No. 80, dated the 30th ultimo, I have the honour to state that although I do not anticipate any advantage will be derived from the Chief Engineer being required at present to inspect and report upon the condition of the small portion of line open for traffic, once in every three months, I have nevertheless directed that such inspections and reports shall be made, and will submit them together with the quarterly progress reports of construction works in compliance with your request.

SUBMITTED for the information of Government, with reference to paragraph 4 of letter No. 70, dated 30th January 1873.
