*Proceedings of the Madras Government, Public Works Department,
1st March 1873.*

No. 10. Read the following letter from the District Engineer, Chingleput, to the Secretary to Government, Public Works Department, dated Trivellur, 15th February 1873, No. 623:—

I HAVE the honour to report that I have dismissed V. Ruthnum Moodelly, Taluq Overseer, Conjeveram. The Range Officer reported him more than once as idle and careless. The Kumbakal was very much neglected by him. On a previous occasion I returned to Mr. Lowry an estimate for a tank which was clearly excessive, and that officer reported to me early this month that, in checking an estimate submitted to him for Rupees 689, he had found that only work to the value of Rupees 217 was really required.

2. I went over the tank at Conjeveram on the 6th instant and found the measurement entered flagrantly wrong. The Overseer acknowledged the sufficiency of Mr. Lowry's estimate but could offer no excuse for his conduct.

3. I, therefore, intimated Mr. Lowry to relieve him of his charge and to dismiss him.

No. 11. ORDER THEREON, 1st March 1873, No. 658.
