1st March 1873.*

No. 27. Read the following letter from the Consulting Architect to Government, to the Under Secretary to Government, Public Works Department, dated Madras, 22nd January 1873, No. 230:—

I HAVE the honour to submit the statement called for in your memorandum No. 5, dated 17th January 1873. This statement does not show the old establishment but in total that recently sanctioned.

2. The new establishment was sanctioned, as you are aware, without any reference being made to me as to the actual requirements, and although the total sanctioned sum of Rupees 270 per mensem will cover the cost of the establishment I require, Colonel Walker was good enough to allow me to report and recommend a different distribution. This distribution is shown in the statement now submitted. I have not yet heard of a man capable of filling the post of Estimator, but as soon as I come across the particular man I want I will report further.
