*Proceedings of the Madras Government, Public Works Department,
5th March 1873.*

No. 109. Read the following letter from the Secretary to the Government of India, Public Works Department, (Account—Guaranteed Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway Branch,) dated Fort William, 26th February 1873, No. 110 A—G. R.—

I AM directed to acknowledge receipt of your letter, No. 2,901, of the 9th December last, (and enclosures,) requesting the orders of the Government of India in regard to the adjustment of a sum of Rupees 29,817-10-2 on account of loss by sale and depreciation of certain stores provided for construction purposes, and, in reply, to state that as the last stock-taking of the several stores of the Madras Railway showed a surplus in each case it seems proper that the loss in question should be absorbed as far as possible by the value of the surplus articles in hand, and I am accordingly to request that this may be done. The question of the disposal of any portion of the loss which cannot be adjusted in this manner may be submitted for orders hereafter if necessary.
