*Proceedings of the Madras Government, Public Works Department,
8th March 1873.*

No. 211. Read the following letter from the District Engineer, Cuddapah, to the Secretary to Government, Public Works Department, dated Camp at Sidhout Taluq, 19th February 1873, No. 431:—

I HAVE the honour to bring to the notice of Government that Serjeant Richmond, whom Government remanded to corps in No. 2,447, dated 17th October last, has been reported to have left the Cuddapah Taluq without handing over charge of the undermentioned tools, etc., valued at Rupees 87-4-0.

2. Having gone myself through all the tool returns, etc., from time Serjeant Richmond took charge of the Cuddapah Taluq to time he delivered over charge of it, I am satisfied for the deficiency of these tools, and can only say that the loss is entirely due to his gross carelessness, and to his character as recorded in the above mentioned Government order.

3. A sum of Rupees 68-4-10, as per enclosed list, is due to him on account of pay and allowances as detailed therein. I therefore request the orders of Government as to the disposal of the same in consideration of the value of tools not accounted for by Serjeant Richmond.
