*Proceedings of the Madras Government, Public Works Department,
11th March 1873.*

No. 247. Read the following letter from the Examiner of Railway Accounts, to the Secretary to Government, Public Works Department, dated Madras, 4th March 1873, No. 164:—

I HAVE the honour to submit herewith copy of the correspondence noted in the margin between the Controller of Public Works Accounts and myself regarding my acting allowance as Officiating Examiner of Railway Accounts, and to respectfully request with reference thereto that Government will be pleased to issue such instructions as may be necessary to enable me to draw the allowance to which the rules entitle me.

2. It would appear from the 1st paragraph of the Controller's letter that his inability to pass the amount I claim arises from the fact of Government Order No. 836 of the 25th March 1872, not having been communicated to him for guidance.

From the Examiner of Railway Accounts, to the Controller of Public Works Accounts, dated Madras, 3rd March 1873, No. 161.

WITH reference to the retrenchment of my acting allowance at the rate of Rupees 100 per month, I have the honour to observe that, in accordance with Government of India's Circular No. 17 of 1872, communicated with G.O.* No. 836 of the 25th March last, Examiners of Railway

* Enclosed to be returned.
Accounts cannot be of lower rank than a Controller, 2nd Class, 3rd Grade, and that in the revised† Rule II., paragraph 9, Section 2, Chapter IV. of the Public Works Department Code, it is

† Standing Order No. 43 of 1871.
stated that the rule limiting an officiating officer's salary to that of the lowest grade of the class in which he acts does not apply to officers officiating in appointments, the substantive holders of which must belong to a particular class. It would, therefore, appear that I am entitled to an acting allowance of 20 per cent. on the mean pay of the class in which I am acting, and I may state that this was the allowance drawn, under directions from the Accountant General, Public Works Department, by Mr. Bayly, Deputy Controller, when acting last year as Examiner in Bombay.

2. With this explanation I trust you will be able to pass my pay sheet as submitted.

From the Controller of Public Works Accounts, to the Officiating Examiner of Railway Accounts, Madras, dated Fort St. George, 3rd March 1873, No. 57.

IN reply to your letter No. 161, dated 3rd March 1873, I have the honour to state that, as the Order of Government to which you refer has not been communicated to this office for guidance, I am unable to pass to you any deputation allowance other than that admitted by me on the 1st instant.

2. The original papers which accompanied your letter under acknowledgment are here with returned, and I would suggest that a reference be made to Government in the matter.
