No. 230A From the Under Secretary to the Government of India, Department of Agriculture, Revenue, and Commerce, to the Chief Commissioner of British Burmah, dated Calcutta, the 3rd February 1873, No. 24.

In reply to your Secretary's telegram of the 15th ultimo, requesting that the steamer *Shamrock* may be sent down soon as the season is going by, I am directed to say that the steamer has on examination been found to be entirely unserviceable at present, and that it is doubtful whether she will be sent at all. She certainly cannot be sent this season.

2. I am however to request that you will be good enough to submit a specification of the vessel required to aid in the examination of the mineral resources of the Tenasserim Division, so that steps may be taken to procure such a vessel.

Copy of the above letter forwarded to the Public Works Department, with reference to the correspondence ending with endorsement thence, No. 524 B. C., dated 31st December last.
