*Proceedings of the Madras Government, Public Works Department,
14th March 1873.*

No. 309 Read the following letter from the District Engineer, Vizagapatam, to the Secretary to Government, Public Works Department, dated Camp at Salur, 19th February 1873, No. 405 :—

In continuation of my letter No. 300, of 28th January 1873, reporting that Overseer Bowers had quitted the district without leave, and recommending his dismissal, I have the honour to submit herewith copies of two letters* since received from the Executive Engineer and one† from Mr. Bowers.

* Nos. 160 and 166 of 26th January and 10th February 1873.

† Dated Madras, 30th January 1873.

2. If this Overseer be permitted to resign, I would strongly urge that his re-employment elsewhere in the department be forbidden. An idle, unruly fellow might thus shift his quarters as he found himself compelled to work.

No. 310. ORDER THEREON, 14th March 1873, No. 809.

ESTABLISHMENT, No. 39.

THE name of Mr. Bowers has already been erased from the list of Overseers by G. O., No. 587, of 21st February, and whatever balance of salary may be due to him will be retained till it has been ascertained that there are no claims against him on account of tools or on any other score.

Sir

With reference to your letter N^o 262 dated 21st January 1873 I have the honor to inform you that Mr Bowers left Virianagram, before my letter, requesting an explanation as to why he was wanted in Madras, reached him.

Mr Bowers was specially ordered by me, only a few hours before he left, not to leave the station till his case had been decided upon.

I now beg to request that very serious notice may be taken of his conduct for he has set me completely at defiance, and if such conduct is passed over my authority in the Range will be nil

Sir

I beg to inform you that I was obliged
to leave my station Vizianagram for Madras
since my privilege leave was not granted and
my resignation not accepted. My affairs at
Madras were of such importance that I
staked my situation by leaving the station with-
out leave having no other alternative.

I beg you will be so good as to accept now
my resignation and have the same Communi-
cated to the District Engineer but if not accepted
I beg you will lay the matter before him for his
Consideration.

I beg to remain

Your most obdt. Servant.
