*Proceedings of the Madras Government, Public Works Department,
15th March 1873.*

No. 339. Read the following letter from the District Engineer, Chingleput, to the Secretary to Government, Public Works Department, dated Guindy, 1st March 1873, No. 766 :—

I HAVE the honour to submit, for the favourable consideration of Government, my claim for deputation allowance, on special grounds, as being in charge of both Chingleput and North Arcot Districts under Civil Service Regulation, 13th March 1872, Chapter VIII., Section 23, clause c. 1.

2. I undertook the duty for the few days previous to Lieutenant Coaker's expected arrival, but as I have been kept in the double charge since 21st January (the date of that officer's arrival), I trust that the Government will admit such extra grant as the rules will permit.

No. 340. ORDER THEREON, 15th March 1873, No. 825.

ESTABLISHMENT, No. 48.

COLONEL MOBERLY never having been relieved of the charge of the two districts of which he was the Superintending Engineer, and drawing for that charge precisely the same salary now as then, the Government cannot admit his claim for extra allowances.
