GROUPS OF PROPOSITION.

It having been reported that the grant for the Ulsoor Water Project could not be fully utilized during the current official year, allotments were made from that source for the works appearing as Items 1, 2, and 3 in the accompanying statement, the early completion of which is considered very desirable.

2. Funds being required for the sanctioned works numbered 4 to 7, and 18, the requisite transfers were made from the grant for the Native Infantry Hospital at Vizagapatam, operations on which were so retarded by heavy rains that the District Officer was compelled to surrender a portion of the grant.

3. Reserve funds having been exhausted, Items 8 to 17, which are minor works of an urgent character, were ordered to be carried out with funds surrendered from the grants for Budget Items 12 and 2.
