*Proceedings of the Madras Government, Public Works Department,
18th March 1873.*

No. 441. Read the following Proceedings of the Madras Government in the Financial Department, dated 6th March 1873, No. 313:—

Read the following Proceedings of the Board of Revenue, dated 5th February 1873, No. 703 (Miscellaneous).

Read the following letter from the Acting President of the Local Fund Boards, Ganjam District, to the Secretary to the Board of Revenue, dated Chatterpore, 22nd November 1872, No. 2010.

I have the honour to state that the Executive Engineer in charge of Berham-pore Range informs me that the Controllor of Public Works Accounts has passed conditionally Rupees 37,018-10-8, spent on relief works undertaken in the current year, and asks me to request the Board of Revenue to place the whole amount sanctioned for relief works at the disposal of the Public Works Department. As no more relief works are to be carried out, it will suffice to place in the hands of the Public Works Department the amount already spent, viz., Rupees 37,018-10-8, and I request that the Board will be pleased to pass orders accordingly.

Submitted to Government with the Board's request that they will be pleased to instruct the Accountant-General to place the sum of Rupees 37,018-10-8 at the disposal of the Public Works Department from Provincial Funds.

2. The Acting Collector will expedite the submission of the final report on the relief works called for in G. O., Revenue Department, dated 4th September 1872, No. 1276.

As it is expected that there will be large savings in the grant under Public Works for 1872-73, "Provincial Services," orders will be issued in the Public Works Department for the adjustment of the sum of Rupees 37,018-10-8 referred to in the foregoing Proceedings of the Board of Revenue.

2. The charge is accepted against "Provincial Services" as the special grant for famine relief was credited to that head.
