From the Executive Engineer, Vizianagram, to the Deputy Inspector General of Police, Vizagapatam, dated Camp at Paralapore, 27th January 1873, No. 39.

With reference to your letter No. 34, of the 25th May 1872, which has only lately been brought to my notice, I have the honour to inform you that it will be quite impossible for either Mr. Supervisor Cormac or myself to inspect the station-houses at Luckshmipoor and Goomadah during the current official year, and as I have been obliged to suspend the Overseer of this division and recommended his dismissal, I am unable to send him to report upon them. I would beg to point out that the expense (in travelling allowance) that would be incurred for such an inspection would be altogether out of proportion to the amount of the estimates,* namely, 75 and 65 Rupees, respectively, as the stations are 37 miles away from any portion of my work, and should suggest your recommending that a completion certificate given by an officer in your own department should be accepted as a sufficient guarantee.

* Herewith returned.

No. 491. Order thereon, 19th March 1873, No. 876.

ACCOUNT, No. 39.

The Controller of Public Works Accounts is authorized to pass the bill.

2. A certificate of an officer of the Police Department will in future be accepted for all work carried out by Police agency beyond the limits of Public Works Ranges.
