*Proceedings of the Madras Government, Public Works Department,
24th March 1873.*

No. 569. Read the following letter from the Officiating District Engineer, Trichinopoly, to the Chief Engineer and Secretary to Government, Public Works Department, dated Fort St. George, 11th March 1873, No. 142:—

With reference to G. O. No. 695 of the 4th instant, I have the honour to express my regret that the former G. O. No. 3, dated 1st October 1872, was overlooked in the Trichinopoly Range Office. Upon that G. O. having been communicated to the Range Officer on the 7th October last, it appears that that Officer, not having sufficient funds at his credit in the treasury, applied to the Superintending Engineer, 6th Division, for a further sum of Rupees 6,000. This was overlooked in the Superintending Engineer's Office, and appears finally to have escaped the recollection of the Range Officer.

2. The Superintendent of the Central Jail has now applied for only Rupees 3,000 of the whole amount of Rupees 6,000 allotted in the Provincial Budget for the construction of his quarters. This amount will be paid to him, and the balance of Rupees 3,000 will be available as surrendered surplus for other works.

No. 570. ORDER THEREON, 24th March 1873, No. 917.
