Proceedings of the Madras Government, Public Works Department, 25th March 1873.

No. 583. Read the following endorsement of the Controller of Public Works Accounts, dated Fort St. George, 7th March 1873, No. 2,934 :—

From E. W. PRINGLE, Esq., Officiating Executive Engineer, Wynaad, to the Controller of Public Works Accounts, dated Luckadie, 3rd March 1873, No. 86.

As in the orders of Government quoted in the Disallowance Bill, herewith returned, no allusion is made to departmental promotion being a desideratum in cases where acting allowance is claimed, I have the honour to request you will be kind enough to refer the matter to Government.

2. So far as I can ascertain, the section of the order above referred to has not been abrogated. Your ruling, however, would make it a dead letter, which, if I may judge by the regulations of other departments, Government cannot intend it to be.

SUBMITTED for the consideration and orders of Government.

1 Bill.
1 Disallowance Statement.

2. Mr. Pringle is an Assistant Engineer, and the Notification appointing him to the Wynaad, during Major Kennedy's absence on privilege leave, does not confer any departmental promotion, such as from the class of *Assistant* to that of *Executive* Engineer. Hence, this office declined to audit to Mr. Pringle's claim to deputation allowance.

3. It seems hard that Mr. Pringle, while performing Range Officer's and District Engineer's duties conjointly, with all the additional responsibilities attending an independent charge like the Wynaad, should not receive the deputation allowance which, under the rules, he would be entitled to if promoted temporarily as above indicated. This office, however, had no alternative but to follow the course ordinarily pursued in such cases.

(Signed) S. BROCK,
Controller of Public Works Accounts.

No. 584. ORDER THEREON, 25th March 1873, No. 924.

ACCOUNT, No. 48.

ASSISTANT ENGINEERS, or even Upper Subordinates, being equally competent to hold range charges as are Executive Engineers, their succession to such a charge previously held by an Executive Engineer does not confer a claim to deputation allowance. But the case of Assistant Engineer Pringle is different, as districts are only held by Executive Engineers, and in his and similar cases deputation allowance may be rightly granted. Special Wynaad allowances would, of course, be passed in any case and the travelling allowances of the higher rank.
