*Proceedings of the Madras Government, Public Works Department,
25th March 1873.*

No. 591. Read the following Proceedings of the Government of India, Public Works Department, (Establishment—General,) dated Fort William, 3rd March 1873, No. 361 E. G. :—

THE following is forwarded to the Government of Madras in the Public Works Department, with request that, if there is no objection, the services of Lieutenant Dobson, R.E., may be made available for employment in Mysore.

By order,

(Signed) G. COTTON,

Offg. Asstt. Secy. to the Govt. of India.

From the Secretary to the Chief Commissioner of Mysore, Public Works Department, to the Secretary to the Government of India, Public Works Department, dated Bangalore, 17th February 1873, No. 23.

I HAVE the honour by desire of the Chief Commissioner to submit, for the consideration of His Excellency the Viceroy and Governor-General in Council, that, as there exist two vacancies in the Assistant grade of the Irrigation Branch Establishment and officers are very much required, the Government of Madras be moved to transfer the services of Lieutenant A. E. Dobson, R.E., to this province as Assistant Engineer, 2nd grade.

2. Lieutenant Dobson, I am to observe, will, in a few days, have completed his probationary year with the Sappers and Miners at this station, and has in anticipation been appointed to the Madras Department Public Works; but, as he has expressed a desire to join the department in this province, and it is understood that the Madras Government will make no objection to the transfer if the usual conditions be complied with, I am to express a hope that His Excellency may approve of the necessary steps being taken with the object mentioned, Lieutenant Dobson being a very promising young officer.

ESTABLISHMENT, No. 63.

SIR,—With reference to your endorsement dated 3rd instant, No. 361-E. G., on letter from the Secretary to the Chief

Commissioner of Mysore, applying for the services of Lieutenant Dobson, R. E., I am directed to explain that the want of officers for the charge of ranges has been so much felt that it has become necessary to make an application to His Excellency the Commander-in-Chief to permit, for this once, the infraction of the rule which requires that all young Royal Engineer Officers shall do duty for twelve months with Sapper and Miners, in the case of the five officers lately arrived in this Presidency.

2. Under such circumstances His Excellency the Governor in Council regrets his inability to make the services of Lieutenant Dobson available for employment in Mysore.

I have the honour to be,

Sir,

Your most obedient servant,

(Signed) G. W. WALKER, Colonel, R.E.,

Secretary to Government.
