With reference to your application No. 145, dated 16th January last, for certain re-appropriations of Budget credits, I am directed to convey the sanction of the Government of India to the re-appropriations therein proposed with the exception of that for the Harbour Works at Cochin, as, in the opinion of this department, all harbours in Madras should, financially, be treated as Provincial. This matter is under consideration in the Financial Department, and pending a decision I am to suggest that funds for the Cochin Harbour Works be made available from Provincial resources.
