Letter from the District Engineer Presidency
dated 19th March /75. N 5828.-

I see no objection to a
payment to Mann: on
account. - if that is
the only way of
getting the money -
I don't see

account.
is the only way
rescuing the money -
The amendment of the
statute should not have
entailed so much delay
& might have easily
have been made by
Cafassaro himself
in com. with the
Mun. Engineer.
