*Proceedings of the Madras Government, Public Works Department,
28th March 1873.*

No. 703. Read the following endorsement of the Controller of Public Works Accounts, dated Fort St. George, 20th March 1873, No. 3,099:—

From the General Superintendent of Public Works Workshops and Stores, to the Controller of Public Works Accounts, dated Chepauk, 19th March 1873, No. 2,935.

IN reply to your letter No. 196, dated 6th March 1873, I regret to state that a sum of about Rupees 30,000 will be required to be provided this year from the allotment of Tools and Plant on account of "increase to Capital of the Workshop."

2. I beg to enclose a statement of the amount now due to the Workshop on bills outstanding, amounting to Rupees 58,000. Of this sum Rupees 40,600 is due by Executive Officers of the Public Works Department. Bills have been furnished and reminders sent calling for speedy adjustment, and I cannot see what difficulty exists in the settlement of these accounts unless it is the want of funds. I trust, however, to realize about Rupees 30,000 out of the sums now due. The amount required this day to be provided from Tools and Plant is Rupees 60,000, but, as above stated, I hope this amount will be reduced by Rupees 30,000 from realizations.

3. Reminders are being sent to all who are indebted to the shop, urging them for a speedy settlement of their bills.

SUBMITTED for the consideration of Government, with reference to letter from
this office, No. 2,878, dated 3rd March
1873, and the Order thereon, No. 766 of
the 10th idem.

One original Statement.

2. Adverting to paragraph 1 of my letter, No. 3,081, under date the 19th March 1873, it will be necessary, if the present estimate of the General Superintendent be accepted, to add Rupees 15,000 to the amount entered as the probable expenditure on Tools and Plant under "Provincial," thereby raising my estimate of outlay from Rupees 25,000 to Rupees 40,000, of which Rupees 30,000 will represent "increase to Capital of the Workshop."

3. The grant for Tools and Plant from Provincial Funds being only Rupees 26,743, an additional assignment of about 14,000 Rupees will at once have to be made to that head of service by transfer from the allotments for works, in order to cover the aggregate of the debits that will be raised in the Public Works Accounts of the current official year.

Controller of Public Works Accounts.
