*Proceedings of the Madras Government, Public Works Department,
31st March 1873.*

No. 710. Read the following letter from the District Engineer, Chingleput, to the Secretary to Government, Public Works Department, dated Guindy, 22nd February 1873, No. 712 :—

I HAVE the honour to bring to the notice of Government that the District Engineer, Nellore, has omitted in his No. 3, dated 9th January, all mention of my reports, etc., to the Local Fund Board regarding Kalinganaddy bridge. Under Act IV. of 1871, all business connected with Local Fund works is to be carried out by the Board, and before them I laid the Contractor's claim with a Memorandum of my opinion, and referred the Contractor, when I saw him, to the President, Local Fund Board.

2. For this reason, so far as I was concerned, no representation was made to Government after the first remonstrance in 1870.

3. The connection of the Local Fund Board with works of communication appears generally to have been overlooked in G. O., No. 514, dated 17th February. I must respectfully protest against any personal responsibility for the Kalinganaddy bridge.

No. 711.

ORDER THEREON, 31st March 1873, No. 985.

ESTABLISHMENT, No. 75.

ORDERED to be recorded.

2. It does not appear how the Local Fund Board, constituted in 1871, had any concern with claims for work done and materials and labour collected previous to January 1870.

(True Extract.)

Colonel, R.E.,

Secretary to Government.

To the District Engineer, Chingleput.

Exd. T. O'Connor.
