No. 725. Read the following Endorsement of the Officiating Deputy Secretary to the Government of India, dated 18th March 1873, No. 64 A. I. :—

GROUNDS OF PROPOSITION.

Item 1.—It is anticipated that an additional sum of Rupees 10,000 can be profitably utilized on the Ryves' Canal Project before the close of the current official year, and it is accordingly proposed to increase the grant by that amount by a transfer from Budget Item No. 23 (Pullairu Project).

The irrigation works of the Kistna Delta being under improvement from Loan Funds, and the Lower Pullairu and the Western Bank channel being part of the general scheme, it has been resolved, as there is no allotment for these works during the current year, to provide for the payment of the charges for land compensation appertaining to them by the transfers entered as Items 2 and 3; and confirmation to the proceeding is now requested.
