*Proceedings of the Madras Government, Public Works Department,
31st March 1873.*

No. 733. ' Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Fort St. George, 22nd March 1873, No. 3,123 :—

ADVERTING to the concluding clause of paragraph 5 of my letter No. 1,982, under date the 26th November 1872, giving cover to the Regular Estimates of the Public Works Department for the year 1872-73, I have the honour to report, for the information of Government, that it appears from the fuller information now before me that the charges to Establishments in the current official year will probably fall upon the various funds which are being employed, in the following proportions:—

	Expenditure.	Grants.
	RS.	RS.
Imperial, Extraordinary	1,83,700	2,01,800
Ordinary { Irrigation	4,46,000	5,10,800
{ Roads and Buildings	1,82,000	1,68,000
Provincial	2,12,000	1,99,200
Local	9,93,000	9,95,800
Total...	20,16,700	20,75,600

2. The above is of course only an approximate estimate, and the correctness of the figures will, in great measure, depend upon Range Officers' anticipations in respect to outlay on *works* being fully realized; but if there be any means of utilizing additional money on Agricultural works, the Government may with safety divert* a sum of Rupees 40,000 from

* In anticipation of the sanction of the Government of India. the grant for Establishments under that head, always provided that the present mode of adjustment of Establishment charges between the various funds remains undisturbed during the current official year.

3. The grants on account of Establishments from the funds marginally noted will not be sufficient to meet the charges under that head of service, and I would therefore recommend that the allotment under "Roads and Buildings" be augmented (subject to the sanction of the Government of India) to the extent of Rupees 14,000, by a transfer from "Irrigation," and that the assignment from Provincial funds be increased by the diversion of a sum of Rupees 13,000 from the grant for *Works* to that of *Establishments*.

No. 739. ORDER THEREON, 31st March 1873, No. 997C.

ACCOUNT, No. 75.
