*Proceedings of the Madras Government, Public Works Department,
2nd May 1874.*

No. 62. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, (Account—Irrigation,) to Colonel G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, Irrigation Branch, dated Fort William, 24th March 1874, No. 85A.—I:—

I AM directed to acknowledge the receipt of your letter, No. 433, dated 23rd February 1874, and in reply to forward herewith, for information and guidance, the orders passed on the Madras Irrigation and Canal Company's Budget Estimate for 1874-75.

**ORDERS ON THE BUDGET ESTIMATE OF THE MADRAS IRRIGATION AND
CANAL COMPANY FOR 1874-75.**

UNDER the head State Expenditure, the estimate submitted for 1874-75 amounts to Rupees 14,400, thus distributed as compared with the Budget and Regular-Estimate of 1873-74 :—

	Budget Estimate, 1874-75.	Regular Estimate, 1873-74.	Budget Estimate, 1873-74.
	RS.	RS.	RS.
Establishment	6,400	6,068	6,000
Land	8,000	6,105	8,000
Total...	14,400	12,173	14,000

2. The estimate for Establishment for next year is passed for an even sum of Rupees 6,000, the balance, Rupees 400, being disallowed from the provision for Travelling allowances and Contingencies, which is in excess of the Regular Estimate for 1873-74 by Rupees 682.*

3. The provision for Land may stand, but explanation should be furnished of the precise works for which the land is required.

4. From Loan Capital Account the provision for expenditure during 1874-75 is Rupees 37,450, of which Rupees 16,000 is for Agency and Engineering Establishment. Explanation should be furnished of the precise manner in which this latter sum has been arrived at as debitable to Capital.

5. Under Revenue, the estimate is as follows as compared with the Regular and passed Budget Estimate for 1873-74, and the Actuals of 1872-73 :—

	Actuals, 1872-73 according to Finance Accounts.	Passed Budget, 1873-74.	Regular Budget Estimate, 1873-74.	Budget Estimate, 1874-75.
	RS.	RS.	RS.	RS.
Receipts	38,150	50,000	*60,000	*80,000
Expenses	1,04,000	1,70,000	*1,94,000	*1,83,000
Deficit...	65,850	1,20,000	1,34,000	1,03,000

* In even sums.

*Proceedings of the Madras Government, Public Works Department,
2nd May 1874.*

The figures for the Budget Estimate for 1874-75 may be accepted, but it has to be noted that if the Regular Estimate for 1873-74 and the Budget Estimate for 1874-75 turn out to be reliable, the total deficit in the working expenses of the Company to end of the next official year will be Rupees 3,63,915, viz. :—

Actuals to end of 1871-72 according to Finance Accounts ...	Rs.
Do. for 1872-73 ...	61,095
Estimated for 1873-74 ...	65,850
Do. for 1874-75 ...	1,34,000
	1,03,000
	<u>3,63,915</u>

6. The large amount to be made good from the revenues of the State in addition to the annual payment of a sum of £49,983 as guaranteed interest on the Capital of the undertaking renders it necessary to look carefully into the financial conditions of this undertaking, and the Government of India will be glad to receive at an early date the views of the Madras Government on the matters referred for opinion in Public Works Department letter, No. 231 A—I, dated 3rd October 1873.

7. It is observed that the question of a reduction of the cost of Establishments charged to Revenue has been brought under the consideration of the Government of Madras. The Governor-General in Council would be glad to receive an early report from that Government as to the reductions that are feasible, especially under the head* of General Management, the charge for which is considerably larger than would be allowed on Government Canals in operation.

* Chief Engineer and Manager, salary Rupees 2,500 per mensem.
Chief Accountant, salary Rupees 800 per mensem.
